TecnoGen's 50kVA generator uses the Kohler engine coupled to an industry standard Leroy Somer alternator producing 39kW of prime power. Standard features include camlocks, block heater and battery charger. The Deep Sea controller makes retrieving vital stats like fuel levels, run time and start logs easy and the sealed doors and 2" thick insulation throughout gives this gen a 69 dBA rating.

The internal fuel capacity is 71 gallons allowing for a run time of up to 35 hours @ 75% load. The convenient external fuel hookup allows for quick connect to an additional fuel cell if needed. The TecnoGen Enermax series is built for reliability and is ideal for continuous heavy-duty applications. Available on trailer or skid mounted.
